

REMARKS

Claims 19, 21, 23-31 and 33-49 are pending in the application; Claims 19, 21, 23-31 and 33-49 stand rejected. By this Amendment, Claims 26, 28 and 35 have been cancelled, and Claims 19, 21, 23-25, 29-31, 33, 34, 36, 37, 39-49 have been amended. These amendments add no new matter to the application.

Applicant gratefully acknowledges the Examiner Interview of March 21, 2007 and interview summary mailed March 27, 2007. During the interview, the claim amendments proposed by the Examiner were discussed.

The Examiner has rejected Claims 19, 21, 23-31 and 33-49 as indefinite. In the interest of expediting prosecution, Applicant has amended the claims according to the Examiner's suggestions, including the cancellation of Claims 26, 28 and 35.

Once an indication of claims allowed has been communicated to the Applicant, we will timely file a terminal disclaimer to obviate the double patenting rejection over US Patent No. 6,929,808.

Applicant believes that it has responded fully to all of the concerns expressed by the Examiner in the Final Office Action, and respectfully requests that the amended claims be entered and examined, and that early favorable action be taken. If the Examiner has any further concerns, Applicant requests a call to Patrick Dwyer at (425) 823-0400.

Respectfully submitted,

PATRICK MICHAEL DWYER
